As you know, we are always looking for new and exciting things to add to camp, and guess what we found! Just think Titanic, but without the mayhem and destruction (and of course without the sappy "I'll never let go..." lines). 🎵 *Near, far, wherever you are, I believe...* 🎵 No, just kidding. Rest assured there will be no soundtrack accompanying our newest addition to the waterfront at camp: a giant inflatable climbable iceberg in the lake. There was one of these when I was in the Caribbean a few years back, and I can say, it was a total blast! Anyone else already imagining some great cabin night pictures? Or perhaps Pirates v Aliens on the iceberg some evening...

## Mass Climate Change? Or Just Plain Fun?

## Remember this???

The picture you see is a portion of a picture from last summer. It is up to YOU, to try to figure out what it is, and to tell the story behind the picture. Then, the following month we will announce the true identity of the picture, along with the winning camper who identified it first.

And here's the key! The first person to identify the picture will be featured in their own spotlight article in next month's edition of iMAGINE! Think about it, a whole article just about you!!!

So if you want the world to know a little more about you, and have a chance to tell the Med-O-Lark community everything you always wanted about yourself, get thinking about this picture!

When you think you know the answer, drop an email to [imagine@medolark.com](mailto:imagine@medolark.com), and you could win your own special profile story!!!

*Yummy!!!*

## Last Month's Winners: Mara Sahleanu and Claire McRae

Congratulations go out to **Mara Sahleanu and Claire McRae**, who correctly identified this picture from last month's iMAGINE! This is most definitely counselor **Eric West**, decked out in all of his glory in the original designs of Cabin 10! Look for their feature articles in the January edition of iMAGINE!

*What a pretty smile West!!!*

## NEW YORK AND BOSTON: 'ROCKIN THE TOWN

This past month over 200 Med-O-Lark Campers, Staff, and Alumni/ae gathered in New York City and Boston for this year's Med-O-Lark reunions. It was an absolute blast, sharing food, and in Boston, even some bowling and billiards. You'll see pictures of the reunion throughout this issue. And remember, if you're in Chicago or Atlanta, keep your eyes peeled for the upcoming announcement of the dates for this year's reunions! We look forward to seeing you soon!

**BOSTON BABY!!!**

## *Reunion Fun!!!*

### *YOU can be in next month's **iMAGINE...***

We want to hear from YOU! What have you been doing? Where have you traveled? Did you get together with other Med-O-Larkers somewhere?

Maybe you have a piece that was featured in an art

exhibition at school. Or maybe you performed in a school play or Musical. Maybe you even have formed your own band, or joined a dance company.

Whatever it is, we want to know so we can spread the

good news among the members of the Med-O-Lark Community!

But how do I do this, you ask? It's easy! Just email Jody at [imagine@medolark.com](mailto:imagine@medolark.com) with your news!

*We're always looking for your news!*
