YOU can be in next month's iMAGINE...

We want to hear from YOU! What have you been doing? Where have you traveled? Did you get together with other Med-O-Larkers somewhere?

Maybe you have a piece that was featured in an art

exhibition at school. Or maybe you performed in a school play or musical. Maybe you even have formed your own band, or joined a dance company.

Whatever it is, we want to know so we can spread the

good news among the members of the Med-O-Lark Community!

But how do I do this, you ask? It's easy! Just email Jody at imagine@medolark.com with your news!

We're always looking for your news!

Blast from the Past: Canadians Invade!!!

Yup, that's Branden

Branden, Bryan, and Steevo, way back...

Branden, Bryan, and Steevo in 2007—Steevo looks thrilled!

Branden and Steevo, pre-Med-O-Lark

I have a feeling I'll be hearing about this one, but I couldn't resist. Once upon a time, there were a few adorable Canadian boys, and then those little Canadian guys came to Med-O-Lark and lived in Cabin 5. *And they never left!!!* Having been campers, CITs, and RCs at Med-O-Lark

over the years, Branden Goodman, Steevo Spencer, and Bryan Zimmerman returned in the summer of 2008 for their first summer on staff! But we have to ask, Steevo, why so serious?

And next month, keep your eyes peeled, because I have scrounged up yet another BLAST FROM THE PAST picture from the amazing Med-O-Lark Community! So be warned y'all, I'm digging through the archives and you never know what I may find!!!

Everybody Together in 2008

Remember this???

The picture you see is a portion of a picture from last summer. It is up to YOU to try to figure out what it is, and to tell the story behind the picture. Then, the following month we will announce the true identity of the picture, along with the winning camper who identified it first.

So get thinking about this picture!

When you think you know the answer, drop an email to imagine@medolark.com!

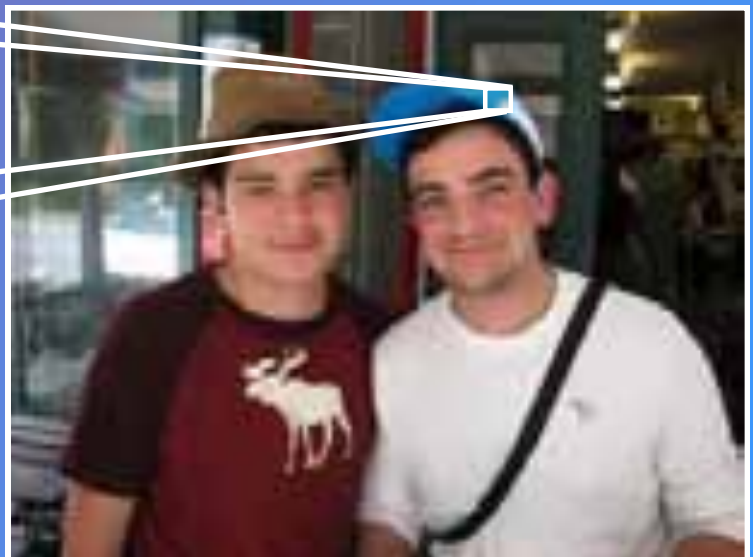

Any Ideas???

Last Month's Winner: Lindsey Flax

Congratulations go out to *Lindsey Flax*, who correctly identified this picture from last month's iMAGINE! Lindsey was the first one able to correctly identify the picture as coming from the amazing Jon Kebe's hat!! Congrats Lindsey!

It's Jon Kebe!!!

And Andres!!!

And his cologne!!!

Schnitzzy's Helping the World Go Green!

We are very excited at the recent work of former Med-O-Lark camper and staff member Dan Schnitzer, who has recently founded a not-for-profit organization focused upon environmental sustainability – InterIntel!

As InterIntel notes:

Over 2.5 billion people rely on hazardous traditional biomass fuels like wood, charcoal or dung as their primary source of energy, and 1.6 billion have no access to electricity. Improving energy services for these people is essential to achieving the United Nations' Millennium Development Goals – a fact that was recognized at the World Summit for Sustainable Development in Johannesburg in 2002. Rather than thinking of energy usage as being driven by development, InterIntel seeks to drive development by providing access to better energy services.

InterIntel's projects focus on providing education on and access to modern energy services and environmental management and is actively working in Haiti, with the communities of Les Anglais and Coteaux, on such projects.

Friends from around the World

So as you all know, Med-O-Lark is famous as a place for forming lasting relationships, true friendships that truly span the globe, and here's still more proof!!!

Aly Reiner, Miri Katz, Marlena Lantos, Carlie Peters, Sarah Peters, and Perri Sheinbaum all got together over Winter Break, bringing together Med-O-Lark friends from New York, Maine, Louisiana, and Bucharest Romania! Looks like fun!

On the second and third day of 2009 MOLERS came from Boston, Hastings, and of course Princeton NJ came together to gather for a mini-Princeton reunion!
